

POLITICAL GOALS OF APPLIED REPARATIONS

1. Learn about, recognise and '**Stop the Maangamizi**' including the horrors of **enslavement, colonisation, neocolonisation, recolonisation** and other imperialist and foreign impositions on Afrikans at home and aboard, including forced Europeanisation and Arabisation.
2. Counter **Afriphobia** as a manifestation of white-supremacy, eradicating **Afrikan dehumanisation**, and assertion of the **Afrikan Personality**.
3. Restore **Afrikan Sovereignty** by redressing with **MAATUBUNTUMANDLA** (Pan-Afrikan Government of People's Power) the **disrepair in our Power** and usher in a fundamental change of the existing world order that would definitively bring about new geopolitical realities such as **MAATUBUNTUMAN**; the anti-imperialist sovereign Pan-Afrikan Union of Communities/polity of Afrikan People's Power.
4. Systemic change globally to ensure the **expropriation and redistribution** of ill-gotten wealth, resources and income Worldwide.
5. Implement **new paradigms of development** including a new, legal, political and international economic order (NIEO).
6. Institutionalise **Maat** and **ubuntu** in People to People internationalist solidarity relationship-building that will advance humanity to a *Rendezvous of Victory* where *Ubuntudunia* emerges as a Global Justice 'World of Many Worlds' i.e. an equitable multipolar World of Pluriversality.
7. To enforce the *Ubuntudunia* elements of Global Justice such as **Miano Asase Yaa** (Mother Earth) rights.
